Karen: Did you try to renew phone online yet?
me: no, I'll do it a bit later, writing now
Karen: OK never mind, will run to grocery store and just buy the card, bring it over, along with bubbas.
me: thanks, would you get me something else other than Bubba's though?
Karen: what do you want?
me: some sort of sandwich from subway or Great American Hero or some such
Karen: how about Schlotkys do you like those?
me: absolutely
Karen: ok will be there in about 45 minutes or so
Karen: I need yjour net 10 phone serial number: NET10 Serial Number: The Serial Number can be found on the red Activation card that came in your phone's package. It is a 11, 15, or 18 digit number also called ESN, IMEI, or MEID.
me: 012 113 007 369 173
Karen: You should get a password in your gmail from NET 10 -- please send it to me.
me: broadway99
Karen: OK I have paid online,you need to do this to activate,
Karen: To complete the Activation turn your NET10 phone off and immediately back on.
Make a call.
